

GANDHI MEDICAL COLLEGE GLOBAL ALLIANCE INC.

We are pleased to inform you that the construction of GMC Alumni Education Center (AEC) is nearly completed. It was inaugurated on the 5th of January 2006 & the auditorium sponsored by Dr. Laxmaiah Manchikanti is operational. The AEC will be managed through a committee consisting of five alumni representing GMC Global Alliance and five from GMC Alumni Assoc. (Hyderabad).

With the AEC as the nucleus, we see an opportunity to promote education, patient care and other activities. The medical students were pleased with BLS/ACLS courses conducted in January 2006 at GMC by Global Alliance in collaboration with American Heart Assoc. A CME program also was held in collaboration with AAPI & Henry Ford Hospital, Detroit. In addition to CME programs, our goal is to initiate exchange of students between GMC and U.S. institutions & visiting professorships.

To discuss these and other ideas, we scheduled a meeting at the Chicago Hilton O'Hare on December 2nd and 3rd. We would appreciate if you can attend and share your views. Please take a few moments to complete the bottom portion and return by September 30th. Based on the response, we will make appropriate arrangements. For additional information, contact us at the numbers below.

The purpose of this organization is to create a family of GMC alumni across the globe with service to our alma mater as the center of our focus. Please join us in this noble & altruistic endeavor. We can leave a legacy for future generations.

Sincerely,

D. Kumar Ramiseti, President, H(949-640-5208) W(949-548-8833)
